

Alaska Power Association provides legislative representation for the electric utility industry. The association is headquartered in Anchorage and maintains an office in Juneau during the State legislative session.

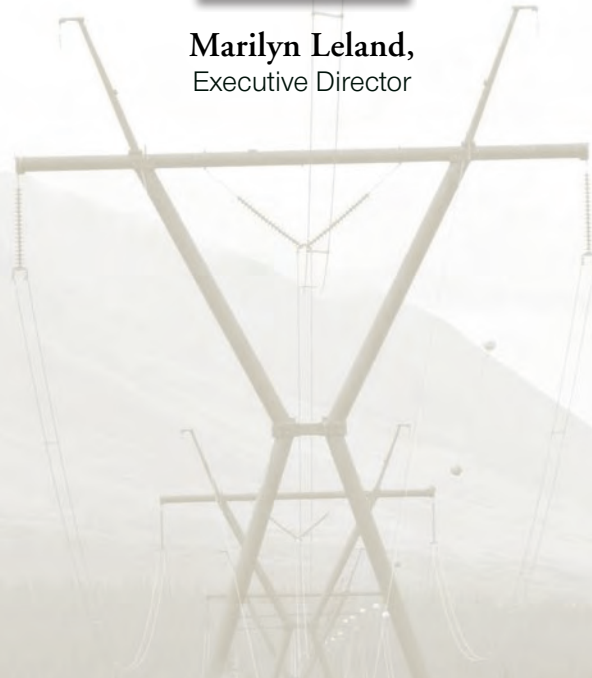

APA monitors and reports on federal issues that affect electric utilities.

Safety remains a high priority in our industry. APA maintains an extensive safety and training multimedia library that is available for use by all association members.

## Alaska Power Association Mission

The mission of the statewide electric utility trade association is to assist members in accomplishing their goals of delivering electric energy and other services at the best value to consumers.

Alaska Power Association is governed by a board of directors comprised of representatives from electric cooperatives, municipal utilities, and joint action agencies.

## Membership Categories

### Active Members:

Rural electric cooperatives, municipal-owned electric utilities, regional electric authorities, or joint action agencies organized under the laws of the State of Alaska with annual sales of at least 800 MWH.

### Associate Members:

Utilities or utility organizations not eligible for Active Membership but with a substantial interest in the association.

### Supporting Members:

Individuals, partnerships, corporations or other organizations not eligible for Active or Associate membership, but with a substantial interest in the activities of Alaska Power Association.

## Membership Benefits

- **Representation:** Have a voice in the development of electric industry positions and policymaking.
- **Forum for information:** Be part of the statewide forum for networking and information sharing with industry members.
- **Web site link:** All members are listed on APA's web site.
- **E-newsletter:** APA's monthly electronic newsletter helps you stay current on industry-specific news.
- **Safety & training opportunities:** Access to an extensive multimedia library with more than 600 safety and training selections. A variety of workshops geared for electric utility employees and managers, and directors/commissioners are periodically offered.
- **Membership directory:** All members are listed in APA's award-winning annual membership directory. Display advertisements are available for purchase.
- **Marketing and public relations:** Opportunities to provide information about your organization are provided via the e-newsletter, event sponsorships and participation in members-only trade shows.
- **Insurance:** APA's sister organization, ARECA Insurance Exchange, provides multi-line coverage to many Alaska electric and telephone cooperatives. It is a service-oriented insurer with an A- rating from A.M. Best, the highest attainable rating for its size.

## Membership Application

APA welcomes your membership application! Your annual membership dues are a sound investment and we look forward to providing you with the quality services and benefits our current members enjoy.
