MEDIA ADVISORY: Save the date

March 28 groundbreaking ceremony scheduled for Southcentral Power Project

Chugach Electric Association and Municipal Light & Power will hold a groundbreaking ceremony for the new Southcentral Power Project at 3 p.m., Monday, March 28.

Remarks from the office of Sen. Begich, and from Mayor Sullivan, utility representatives and the contractor will be made at the ceremony.

Access to the site will be controlled. Visitors will be bussed in and out, and it will not be possible to get to the site once the groundbreaking ceremony starts at 3 p.m. Media representatives should plan to arrive at the east parking lot at Chugach headquarters (5601 Electron Drive) by 2:45 p.m.

A copy of the event invitation (with map) is attached.

Photos and B-roll (Beta or DVD) will be available upon request. Please contact Patti at 762-4736 to coordinate your request.
